BOOKING REF: 5480371

Dear John,

It's almost time for you to kick back and relax on your holiday!

We don't want to overload you with unnecessary paperwork so we've only included vouchers for the parts of your holiday that require them. Please print these off and take them with you. If we haven't included a voucher – then you don't need one. Some hotels provide a confirmation number and if so, we've included this below, but please don't worry if there's no number, it just means your hotel doesn't issue them.

All you need now is your personal documentation – so don't forget your Passports, visas (if required), insurance details etc.

And most importantly – we hope you have a fantastic holiday!

Your holiday wouldn't be complete without.....

Mr John Higton, Mrs Zena Higton.
